INSTALLATION:

**CAUTION: THIS PRODUCT MUST BE INSTALLED BY A LICENSED ELECTRICIAN.
TURN OFF ALL POWER BY REMOVING POWER FUSE OR TURNING OFF CIRCUIT
BREAKER**

- . All wiring should comply with local electrical codes.
- . Please ensure there is adequate ventilation for halogen lights and the heat generated from lamps is not directed onto foliage or objects.
- . The distance from the front of the glass on the halogen lamp and the surface the light is aimed at must be at least 1 metre.
- . All base plate seal(s) must be used when installing for warranty purposes.

MAINTENANCE AND REPAIR

Do not touch this product while in use as it becomes **exceptionally** hot. Turn off all power, wait for unit to cool completely down, then adjust angle of lamp holder or change the **240V** lamp.

TO CHANGE HALOGEN LAMP

1. **Caution:** Switch off all power before changing the **240V** 100W, 75W, 60W, 40W or 25W halogen G9 lamp.
2. Remove front cover of halogen lamp holder.
3. Replace the **240V** halogen lamp. Do not touch the halogen lamp with bare hands. Remove stains with Metholated Spirits.
4. Securely replace front cover of lamp holder before switching power back on.

CLEANING

Wipe with damp cloth only. Do not use soaps or polishes.

REPAIR

For repair service follow our product warranty.

IMPORTANT !

HOUSEWATCH PRODUCT WARRANTY

This Housewatch product is guaranteed for a period of 12 (twelve) months from date of purchase provided this product has been installed in accordance with this instruction manual and local electrical wiring regulations and codes of practice.

This guarantee shall become invalid if this product has been incorrectly installed, misused, tampered with or accidentally damaged.

This guarantee is in addition to all other rights and remedies in respect of the product which the consumer has under the Trade Practices Act and other legislation.

If you wish to make a warranty claim, please return this product to place of purchase together with your purchase receipt.
